## Foreword

In issuing this revised edition of our catalogue we desire to thank our friends for their patronage and courtesies shown in the past, and take pleasure in assuring them that our aim is to merit continued support with the production of Hand Tools of unsurpassed quality.

Our international reputation has been won by continual attention to design and our endeavour to provide a first-quality article.

We are at all times pleased to receive suggestions from users of our products and are prepared to offer our advice to interested persons.

Our Tools are made from the finest materials by the most experienced craftsmen and are subject to careful and stringent test and supervision during the entire course of manufacture.

Every Tool carries our unconditional guarantee.

See back of Catalogue for Index.

## Terms of Business Conditions of Sale

**CARRIAGE.** All orders *NETT* value over £15 Retail, £25 Factors, and £50 Export are consigned carriage paid. If consigned passenger train at customer's request carriage will be charged on the invoice.

**PACKING.** Whilst we do all possible to despatch our products in free-of-charge containers, whenever the nature of the product necessitates the use of wooden cases, these are charged at cost and credited in full if returned within 14 days and in good condition.

**PRICES AND DELIVERY.** All goods will be invoiced at prices ruling at the time of delivery. We are not to be held responsible for damages, or delay in delivery due to material or labour shortage, strikes, lock-outs, transport difficulties, or any other circumstances beyond our control.

**RETURNS.** All goods returned must be advised, stating reason, and consigned "carriage paid" within a reasonable time from date of delivery.

**CANCELLATION.** Orders for goods made to special pattern or specification cannot be cancelled when the goods are in actual process of manufacture or completed.

**EXPORT ORDERS** are shipped F.O.B. on consignments over £50 in value. Whilst the greatest possible care is taken with enclosures, no responsibility can be accepted for loss, damage, or deterioration thereto. Cases are charged at cost on orders under £150 in value and are not returnable. Orders over £150 in value packed free.

**WARRANTY.** All materials used in the manufacture of our Branded Tools are of the best possible quality.

Tools bearing our Trade Marks will be replaced free of charge if found to be faulty in manufacture.

We cannot undertake to replace or credit, tools broken by misuse or abuse, or tools which are worn out by virtue of long usage.

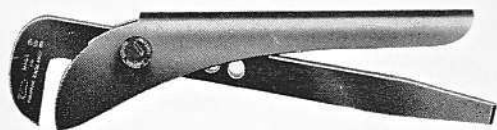

## No. 698 All Steel Adjustable Pipe Wrench

The Genuine and Original "Footprint" Brand Wrench

For a sure-grip it cannot be surpassed

## No. 851 Tank Cutter

Cutters made from good quality Chrome Alloy Steel

A most useful tool for the Plumber

The steel cutter gives long service on zinc or copper tanks

Spare parts supplied from stock

(1) Body (2) Drill (3) Screw (4) Cutter

Capacity 1" to 4"

Unit pack—6 per carton

Weight per unit pack: 1 lb 10 oz

## No. 16 The Handy Tyre Valve Tool

The handy Valve Tool is a boon to the motorist

An essential part of any car tool kit

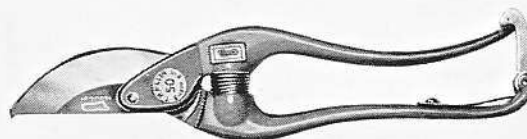

Keeps both inner and outer threads in perfect order

It also has a specially machined end for removing Valve

Packed 12 Valve Tools to a carton

Weight per carton 14 oz

## No. 400 Screw Counterbore Set

### THREE JOBS IN ONE

The Screw Counterbore is a really new tool that bores, counterbores and countersinks in one rapid action

Small Plastic Stand supplied with each and appropriately marked

Stand keeps Bits together after opening

Spring Stop stored on one of Bits after opening bubble

Each set of drills is supplied with a quick adjusting spring stop to control the depth of bore:—

1st position—for flush screws

2nd position—1/8" countersink for putty

3rd position—1/4" countersink for dowel or plug

Set Comprises:—

No. 1 for 3/4" Screws in Nos. 6/7

No. 2 for 1" Screws in Nos. 8/9

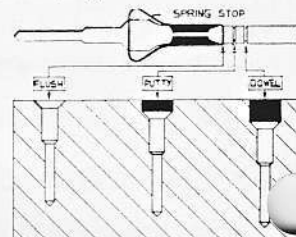

No. 3 for 1 1/4" Screws in Nos. 8/9

No. 4 for 1 1/2" Screws in Nos. 10/12

Spring Stop

6 Sets per unit

Weight per unit: 1 lb 6 oz

## No. 100 Super Chrome Vanadium Steel Double Ended Screwdriver Bits

All Bright Finish

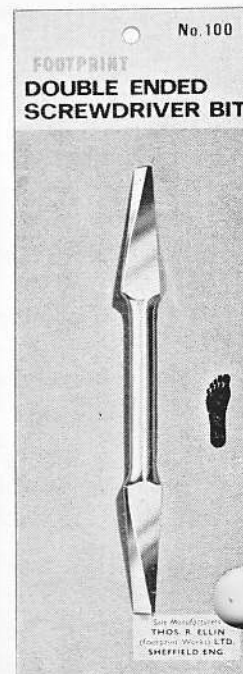

A most useful Double Purpose Tool

Each end will fit into a Brace

Size	Weight each unit	Unit pack
1/4" x 3/8"	1 lb 9 oz	12

Length overall, 4 3/4"

Weight per unit of 12—2 lbs

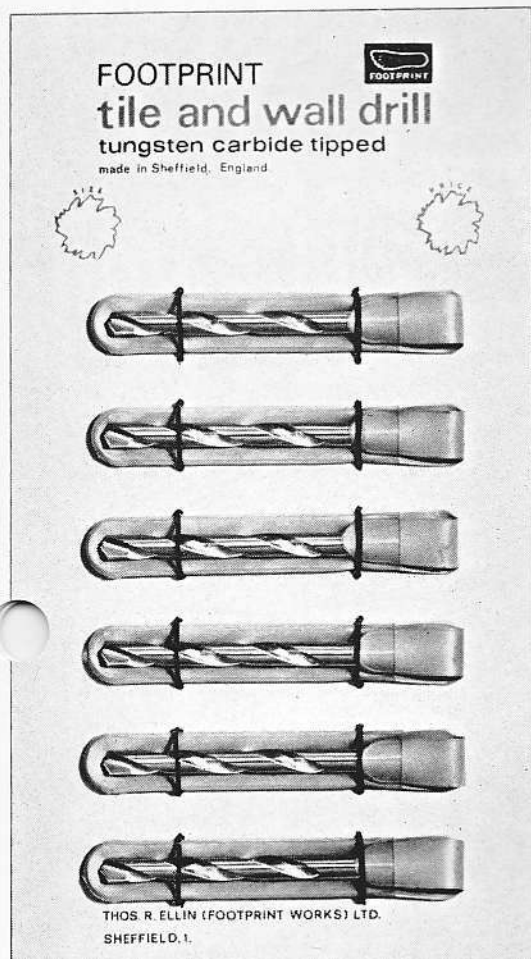

## FOOTPRINT BRAND

### Tungsten Carbide Tipped Tile and Wall Drill

In four popular sizes:—

No. 8— $\frac{3}{16}$ " No. 10— $\frac{7}{32}$ " No. 12— $\frac{1}{4}$ " No. 14— $\frac{9}{32}$ "

Available in two super packs:—

In clear fronted Plastic Wallet, 6 of any size per card

or

Individually carded with Skin Protecting Foil

See page 29 for Sales Dispenser
